Joint Replacement

**Don't Miss
Our Next Joint
Replacement
Seminar!**

Our fellowship-trained and experienced Orthopedic Surgeons perform hundreds of Joint Replacement Surgeries annually. We provide cutting edge surgical techniques for Total Hip Replacement, Partial Knee and Total Knee Replacement and Total Shoulder Replacement. Our Rapid Recovery process leads to less pain, earlier hospital discharge, and faster return to work and recreational activities.

Our surgeons have been involved in the development of the Joint Centers of Excellence at Northwestern Lake Forest Hospital and Vista Medical Center.
